CALL FOR ABSTRACTS

Presentations will be selected based on their scientific advancement and added value to the industry. Where possible, papers should be consistent with the convention theme of "Adaptability", which can include, but is not limited to:

- ≈ New / Emerging Technologies
- ≈ Sustainability
- ≈ Research & Development Projects
- ≈ Impact of New Regulations
- ≈ New Materials
- ≈ New Analytical Test Methods
- ≈ Future ideas and concepts

ABSTRACT SUBMISSION DEADLINE:

31 December 2022

NOTIFICATION OF ACCEPTANCE:

31 January 2023

SUBMISSION OF FULL PAPER:

21 April 2023

If you would like to present an oral paper at the SCANZ Convention 2023, please submit your abstract, resumé and photo via the website

The Surface Coatings Association of New Zealand would like to invite experts from paint companies, raw material suppliers, academia, government research institutes and other value added organisations to submit abstracts of innovative, technical, scientific and/or value added significance to the coatings industry.

ABSTRACT FORMAT

- ≈ An abstract must be no more than 300 words
- ≈ The abstract must include the title of presentation
- ≈ Please include all authors of the submission, indicating if the author is presenting the paper or not
- ≈ The abstract should not include graphics or tables
- ≈ Papers should reflect the highest professional standard
- ≈ Please keep the use of trademarks to a minimum

All submissions will be treated with the strictest confidence, and will only be disclosed if selected in the final programme. The oral presentation time will be 30 - 35 minutes in length followed by 5 - 10 minutes for discussion.

PROGRAMME AT A GLANCE

- ≈ The scientific program will foster technical, scientific and general discussions. The sessions will run on Tuesday 16th between 8.30am - 5pm, and on Wednesday 17th between 9.30am - 1.50pm.
- ≈ We will also be holding the General Meeting of the New Zealand Paint Manufacturers Association on Monday 14th May, starting with lunch at 12.30pm.
- ≈ Networking opportunities start on Monday evening with the Welcome Function, followed immediately by the extremely fun Quiz Night.
- ≈ The Convention Dinner on Tuesday night will be via ferry to the Duke of Marlborough Hotel, where we encourage people to dress to the theme Rascals and Reprobates.

SPEAKER BENEFITS

- ≈ Speakers attending the full convention will receive a discounted registration rate.
- ≈ For those speakers who can only attend for the day, they will receive free registration for the day of their presentation allowing them to attend other sessions and network with the industry participants.
- ≈ Travel, accommodation and any additional registration costs associated with the convention are not included.

For those who think travelling 'downunder' is a bit far for one Convention, please note the SCAA (Australian) Convention runs the following week, from 24th - 26th May, so two countries, two conventions.
