COATINGS VISION 2022

21 - 23 SEPTEMBER 2022 | HAMILTON

GOLD SPONSOR

SURFACE COATINGS ASSOCIATION AUSTRALIA

CONVENTION INVITATION

We invite you to join us at the 59th SCANZ Convention "COATINGS VISION" on 21 - 23 SEPTEMBER 2022.

We have made the final change for the convention date, moving to 21 - 23 September 2022. For many people, this will be the first opportunity to network with fellow industry people in person.

We are trying something a little different for our 59th Convention, and heading to the Novotel Tainui, right in the middle of Hamilton and next to the mighty Waikato River. We have never been there before, and we are not exactly sure why.

Hamilton is at the heart of the Golden Triangle - less than one and a half hours drive from Auckland, Tauranga and Rotorua. The Hamilton airport is only 15km away from the venue and has direct flights from Wellington and Christchurch.

Hamilton also has some outstanding attractions, starting with the river, and moving onto the Hamilton Gardens, Zealong Tea Estate, Museum and Zoo, then moving out into the greater Waikato with Hobbiton, the Waitomo Caves, and amazing cycling, walking and hiking trails, waterfalls and for the foodies, amazing Farm to Fork experiences.

The SCANZ Convention brings together researchers, chemists, sales people, manufacturers and academics from throughout New Zealand (and Australia), with around 80 - 100 delegates attending each year.

We have technical papers that focus on the 'Coatings Vision' theme, coming from both industry and academia.

Finally, we also have a fantastic social programme that allows for networking opportunities throughout the event, starting with the Dow Welcome Function, the Brenntag Quiz Night, onto the Alchemy/ Tronox Conference Dinner.

We are confident that the friendly, personal nature of the SCANZ convention provides an excellent opportunity for all involved in the surface coatings industry to learn and network.

Kind regards
Penny, David K, Eric & Donna
SCANZ Convention Committee

Registration opens at Novotel Tainui from 4pm onwards

5.30pm – DOW WELCOME COCKTAILS

DOW®

7pm – THE BRENNTAG QUIZ NIGHT

The Quiz Night is an extremely enjoyable way to start the Convention. Brenntag started this back in 2013 and the event has become more popular each year. Everyone is invited, and we encourage you to make up a team and enjoy the fun. The Quiz starts at 7pm, and will run for around 2 hours.

Special thanks to Brenntag for sponsoring, organising and running this fantastic event!

BRENNTAG

THURSDAY 22ND SEPTEMBER

The Technical Programme starts at 8.30am with a Welcome from the President, then onto a full day of presentations from some extremely interesting speakers.

6.30pm – CONVENTION DINNER – "KIWIANA"

After a full day's sessions, we move onto the Convention Dinner. To keep our 'bubble' small, we will be staying in the hotel for the themed dinner "Kiwiana". This theme can cover everything from nature (kiwi and pukeko) to food (pavlova to kiwifruit) to sports (70's cricket anyone?) then onto cultural identity (4 square, Fred Dagg, Camp Leader and Mother, jandals, L&P) there should be something for everyone. If you want some inspiration, google "kiwiana dress up".

Alchemy AGENCIES

TRONOX

There will, of course, be prizes for the best outfits and ideas, and the yearly update by our President, Eric Baggen. Special thanks to Alchemy Agencies for sponsoring the Dinner, and Tronox for sponsoring the entertainment.

FRIDAY 23RD SEPTEMBER

The Technical Programme starts at 9.00am (no early starts after a Convention Dinner!), and will finish with afternoon team at 3.30pm.

TECHNICAL PROGRAMME

The final programme for the convention will be available on the website.

HELPFUL INFORMATION

GETTING TO HAMILTON

DRIVING: 7 Alma Street, Hamilton

Hamilton is in the centre of the Golden Triangle, and is an easy drive from Auckland, Tauranga and Rotorua.

Auckland - 124kms from the CBD. The drive is normally 1.5 hours, dependent on traffic, with motorways and bypasses most of the way. (Fog can sometimes be an issue and will extend the drive significantly, so check the weather and road reports.)

Tauranga and Rotorua - around 100kms from each City. The drive is around 1.5 hours dependent of traffic and conditions (lots of hills).

FLYING into Hamilton Airport: 7 Alma Street, Hamilton

The airport is only 15km from the Novotel Tainui Hotel, and has around 5 daily direct flights from both Wellington and Christchurch.

Hire Car - All major rental car companies are at the airport.

Taxis - There are 2 taxi companies servicing the airport, and can be picked up outside the arrival gate.

Uber - Just download the app and book from there.

For those people flying into Hamilton domestically, we recommend you book your flights early to take advantage of the low fares. Only Air New Zealand (www.airnewzealand.co.nz) operates regular flights from the main centres each day, and there are some very good fares available at the moment.

For international travellers, we suggest that you try to allow yourself at least a day in which to adjust to the time difference and relax after your flight, before the Convention commences. Travellers flying westward across the Pacific Ocean are reminded that they will lose a day by crossing the International Date Line. The 'lost day' will be returned on the return journey.

WEATHER

With the convention being in the first month of spring, the only surety we have is that the weather will vary. In saying that, the temperatures normally ranges from 6.5°C - 16.5°C at that time of year, with a 35% chance of rain. However, this is New Zealand, so be prepared for wind, rain, sun, fog, hot and cold. Our best advise is dress for cooler weather outside, but remember we will be in air conditioned rooms during the convention.

WI-FI

Delegates can enjoy free WiFi with no data cap or time limit for the duration of the convention.

DIETARY REQUIREMENTS

Please advise of any dietary requirements when registering so we can ensure you are catered for.

HEALTH & SAFETY

All cleanliness and protocol standards are being followed in regards to Covid-19 and we are following the Event Sector Voluntary Codes to ensure everyone's health and safety. We do ask that if anyone feels sick, or has been near anyone who may have Covid-19 to please not attend unless you have had a clean Covid-19 test.
